MEMORANDUM FOR: The Director

THROUGH : Dick Lehman, D/DCI/NIR

25X1A FROM : [REDACTED] NIO/SSEAAF

25X1A SUBJECT : Your [REDACTED]

25X1A 1. [REDACTED] (C/AF/DDO) tells me that the Agency has had contacts
25X1A with [REDACTED] for a number of years. He was frequently a
source of Agency reports in the 1960s, and has been a source less
frequently in recent years because his access to [REDACTED] has diminished.
Throughout, he has been very helpful to us.

25X1A

25X1A 2. It would indeed be useful to have a few analysts get together
with [REDACTED] when he comes through Washington in September or October.
Since open contact with us would not help him after his return to [REDACTED]
we should set up a session with him in such a way that it will not become
known around Washington. Do you want us to call him and arrange a
meeting, or would you prefer to do it yourself?
